

## ***Curriculum Vitae of J. Patrick Murphy***

Thank you so much for your interest in my background and qualifications to support you either as an expert witness. I am including additional information to provide a clearer discussion of my skill set rather than simply providing a listing of jobs held since 1975.

### ***Forensic Expert Witness***

Mr. Murphy has been retained in over 500 cases since 2001. He is evenly retained by both Plaintiff and Defense counsel. His deposition testimony trends towards Plaintiff at a ratio of approximately 70% however only about 10% of his cases require testimony. He has appeared live at trial several times.

Premises liability cases are the focus of Mr. Murphy's practice however he has in-depth experience across the U.S. and Puerto Rico in the following types of litigation

- Nightclubs: Bouncers, Security Guards
- Apartment Premises Liability
- Security Guard Negligence
- Retail Loss Prevention: False arrest, Excessive force, Customer injury due to shoplifter. Extensive experience with Wal-Mart
- Transportation/Warehouse security
- The Standard of Care Crime Analysis
- Crime Foreseeability/Crime Prevention
- Negligent Hiring, Training and Supervision/Retention
- Background Checks

## **Statement of Qualifications**

### **J. PATRICK MURPHY**

1. Founder and president of LPT Security Consulting which was established in 2001. Mr. Murphy provides Forensic Expert Witness services for Plaintiff and Defense and Security Consulting to a wide variety of clients.

His Expert Witness practice focuses primarily in, but not limited to, the following areas: standard of care, foreseeability, and inadequate/negligent security, inadequate hiring, training and supervision within security functions and physical security.

His Security Consulting practice focuses primarily in security and risk assessment, development of physical security, loss prevention, and training.

2. Before commencing his practice, Mr. Murphy was Director of Loss Prevention Operations for the **Eckerd Corporation**, a 3000-store, \$16B annual sales, retail pharmacy chain. Eckerd Corporation was staffed with over 70,000 employees. He was employed by Eckerd from 1989 to 2001 and through two promotions, became a Director. Prior to Eckerd, Mr. Murphy was a Security/Loss Prevention Manager with Sears for 10 years in the Houston metropolitan area. Mr. Murphy served as a Police Officer for the City of Dallas, Texas from 1976 to 1979. After graduation from college in 1975, he was a private investigator and security guard supervisor.

3. Mr. Murphy has served as an instructor for the Houston Police Department and Rice University Police Department as an instructor on the topics of crime prevention, physical security and retail loss prevention. This instruction was provided for Crime Prevention Officer Certification programs for various law enforcement departments. He has also lectured the Criminal Justice Departments at Sam Houston State University, Huntsville, Texas and Florida State University, Gainesville, Florida.

4. Mr. Murphy is a published, contributing author to "Retail Crime, Security, and Loss Prevention. An Encyclopedic Reference", by Charles A. Sennewald and John H. Christman, 2008. He authored two (2) chapters regarding narcotics diversion investigations and shrinkage in the retail drug store setting.

5. He also has extensive experience in the development, implementation and management of security training programs for all levels of line and executive personnel.

6. Mr. Murphy is a subject matter expert in the development of physical security and operational assessments, security planning and development, and the development of financial and operational policies and procedures.

7. He has hired, trained and managed both proprietary and private security guard forces for nearly 25 years. He has authored training curriculum, post orders, supervisor audits, as well as, establishing manpower needs and budgeting accordingly for these services.

8. He is routinely interviewed by media outlets, business organizations and trade journals topics related to security, crime prevention, global security threats and fraud.

9. Mr. Murphy has direct experience since 1975 specifically relating to crime prevention, crime analysis, physical security measures, asset protection, investigations and security management.
10. He became a Board-Certified Protection Professional (CPP) by examination through the American Society for Industrial Security (ASIS) in 1982. The organization is now named ASIS International. The certification lapsed in 1996 and there are no plans for recertification.
11. As a security management executive, he has extensive practical knowledge in the following:
  - a. Physical security measures in their designation, applicability, design considerations, and end use. These include but are not limited to mechanical and electronic locking systems, CCTV, and controlled access systems, alarm systems and lighting.
  - b. Development of job descriptions for security personnel including personnel who frequently must detain criminal offenders with the least force possible.
  - c. Security training includes but is not limited to the development of enterprise wide training of line and executive employees in the areas of asset protection, distribution and supply chain security, criminal investigations, surveillance, interview and interrogation, undercover operations, robbery prevention and response, and workplace violence.
  - d. Regulatory compliance with State Boards of Pharmacy and DEA.
  - e. Security assessment development planning and implementation.
  - f. Security management using proprietary and contact security personnel.
  - g. Auditing compliance to security and operational standards.
  - h. Emergency response to natural disasters.
12. Mr. Murphy developed enterprise operational best practices as it relates to the protection of assets.
13. He has Security Consulting experience in the review of all the above in schools, warehouses, transportation, pharmacy, security departments, loss prevention departments and multi-family properties.

## **Curriculum Vitae** **J. PATRICK MURPHY**

Mr. Murphy has experience in Security Management, Law Enforcement, and Loss Prevention since 1975. His career spans over four decades and provides him with critical knowledge and expertise in:

- Qualified expert witness in Federal and State Courts
